Incredibly Easy to Grow!

This amazing tomato is *absolutely the easiest Tomato to grow that I've ever seen!* With this Miracle-Bush™ Tomato there's no caging, no trimming, no pruning, no special care. Just start it indoors on any sunny windowsill, then set it out in your greenhouse or garden and watch it grow! You'll harvest meal after meal of fabulous "beauties" from each individual plant, all season long. These Tomatoes never get leggy, never sprawl through your garden. Instead, each plant grows to a well-shaped bush about 90cm tall... so symmetrical, so pretty you'll consider using the Miracle Bush™ Tomato as an ornamental in your front lawn. There's no better tomato for window boxes or containers on a sunny porch or patio!
