

Fantastic veterinary care from great teams who just care about animals and their owners!

Complete Animal Care in Queanbeyan

Trusted for over 30 years: We've been providing our old fashioned, friendly service for all sorts of pets and their owners for a long time. Rest assured we'll give you honest advice and great pet care.

State-of-the-art equipment: Although we've been around a while we have all the modern equipment and up-to-the-minute services and techniques available to guarantee you pets the best possible care.

If it's an emergency: We are available 24 hours a day, 7 days a week to provide immediate treatment. Don't hesitate to call us and, by the way, we'll come to you if your pet can't be moved.

We cover the district: When it's not an emergency we regularly visit surrounding areas like Wamboin, Radcliffe, Burra, Captains Flat and Royalla and can see your pet then. Just phone to find out when we'll be in your area next.

Boarding services: If you need to travel we have great boarding facilities available. We'll look after them as if they are our own. We just love pets!

When your horse needs help!

We just love horses: All of our team lives, breathe, eat and sleep horses and are horse owners too. It means we care for yours as if they are our own.

Around the clock care: We know that, just like people, horses don't need accident or emergency care only during business hours, so we're available *anytime*... just call!

We travel to you: If your horse is incapacitated or you don't have transport we'll come to you because we know that sometimes moving them can aggravate the problem.

If hospitalisation is needed: Our state of the art hospital and equipment means that your horse gets the best care under the supervision of our team of dedicated vets and nurses... fast!

From the routine to complex diagnosis and surgery - we do the lot: Our vets have advanced training in equine dentistry, lameness, reproduction and surgery - and a whole lot in between.

One stop pet care in Canberra!

Pets are our passion: That's why we have the largest A.C.T. care facility with 10 vets on our team to ensure the best possible care is available... *anytime it's needed!*

Its hassle free: We have everything that's needed including services like nuclear medicine, chemotherapy, and ultrasound on site so that the treatment your pet needs can start straightaway.

Stopping the pain is a priority: Animals feel pain just like you do and that's why we have the latest pain management techniques to fix your pet's pain fast.

Accidents and emergencies: Happen anytime so we're available around the clock. In an emergency, just come on in (call us on the way if you can). We can to your pet if it can't be moved.

Complete pet care: Whether your pet needs minor or major care we can handle it... from routine preventative treatment through to major surgery as well as acupuncture, dermatology, dentistry and animal behaviour too.
