WELCOME TO THE CLUB

As a valued customer of The Athlete's Foot we would like you to be among the first to be introduced to our new customer loyalty program - ClubFit™. ClubFit™ is the culmination of a number of initiatives designed to add value to our most important customers.

YOUR CARD IS WAITING

Access to the program is via your own ClubFit™ card which is now ready for you to collect at The Athlete's Foot Centro The Glen.

The first of many rewards

ClubFit™ rewards you each time you shop at The Athlete's Foot. Based on your past purchases, we are delighted to offer you the voucher below which can be redeemed on any purchase once you have picked up your ClubFit™ card.

In future for every dollar you spend at The Athlete's Foot on any product, you will receive one point. Each time you reach 500 points you will automatically be mailed a **\$50 voucher**. It's very simple to understand and most importantly you don't have to change the way you shop with us, except for showing your ClubFit™ membership card with each purchase.

Exclusive Offers

ClubFit™ membership also allows you access to:

- 30 day **Warranty**™ on all shoe purchases, which means if your shoes don't fit correctly we will refit your shoes within 30 days.
- No charge waterproofing service.
- Latest product and health information.
- Access to competitions, product launches, and other special offers.

ClubFit™ replaces all other customer programs offered by The Athlete's Foot as it is guaranteed to reward you much sooner than ever before.

We look forward to seeing you soon and welcoming you personally to our club.

Kind Regards,

Ray Pascoe
