

Dear Winston,

Print 09 is open until 6pm tonight, and ends tomorrow at 4pm.

Again, PacPrint is proving to be the ideal venue to evaluate new technologies with many world firsts and Australasian releases on display; innovations which will help you improve, diversify and prosper in the current tough economic climate and beyond. Visit PacPrint 09 for information and inspiration! It will be 4 years until you get the opportunity again.

Don't forget to print and bring your confirmation email and barcode. This will help fast-track your entry on arrival.
