

Wellness CHIROPRACTIC

Dear Neighbour,

We would like to be good neighbours and invite you to our practice!

We have probably walked passed each other in Endeavour Hills Shopping Centre or Dandenong Plaza, we may support the same local sporting club or even have coffee in the same cafe.

Sims & Finn Chiropractic have been servicing our local community for the past 47 years and although we are pretty close neighbours, I have never invited you to meet me and my great team.

Most people believe "it's not what you know, but who you know". If there is any reason that you may need my services I will be happy to take care of you to get your body performing at its best!

To get your **Free Initial Examination**, call us today to make an appointment—**make sure you bring this letter with you!** I will assess your spine **FREE** of charge (normally \$91).

I have also enclosed a gift certificate for you to give to a family member or friend, so they can receive their first visit **FREE of charge** as well. So take advantage of this special offer! This offer expires on 17th November 2009.

"Our purpose is to promote optimal health and wellness for you and your family through natural chiropractic care. As Chiropractors we adjust spinal subluxations to remove nerve interference, allowing your body the greatest potential for health and healing."

Dr. Joel & his dog Marley
